Francesc Layret Street, 28, Mollet del Vallès, Barcelona, Spain | https://github.com/RubenRS040398

I consider myself a productive, innovative and creative person, who continually adapts to technological advances but always adopting a distinctive approach. I like to work on different stuff within the same field as well as contributing new ideas that help move forward and collaborating with other professionals with the same goal.

LANGUAGES

Spanish Native

Catalan Native

English Intermediate level B2

PROJECTS

2025

Generation of the graphic interface design of a program based on the MVC architecture using Machine Learning (Final Degree Project)

2022

Librobot

Robot which interacts with a person to find a book on the shelves by giving a title by voice and sucking it to be able to pick it up (link to GitHub).

2021

CasKaggleLOL

Solving a Machine Learning problem using a League of Legends video game database from the Kaggle platform (link to GitHub).

SOFTWARE | TOOLS | LIBRARIES

Microsoft Visual Studio | Oracle VM VirtualBox | Quartus II Web Edition | Ubuntu | Git | Perf | SQL | Spyder | Jupyter Notebook | VHDL | FPGA | Arduino | CoppeliaSim | Google Cloud | JUnit | Selenium | Cucumber | MatLab | OpenGL | Microsoft Project | Trello | Kanban | Scipy (NumPy, MatPlotLib, Pandas) | SKLearn | TensorFlow | Odoo | PHPStorm | Oracle Data Modeler | Oracle SQL Developer | Microsoft Excel | Elastic Stack | Jinja | Graylog | PyCharm | Docker | Debian

EXPERIENCE

Software developer | ALBA Synchrotron (Internship contract) | Cerdanyola del Vallès, Barcelona, Spain — **10/2025 – 02/2026**

- Design and implementation of a tool for analysing logs from different processes related to agent policies (Filebeats, Metricbeats, etc.).
- Using the Elastic Stack suite for routing to new indexes.
- Development of a front-end to visualize relevant statistics, such as the detection of failures or errors in devices.

EDUCATION

Degree in Computer Engineering | Universitat Autònoma de Barcelona | Cerdanyola del Vallès, Barcelona, Spain — **09/2017 – 02/2026**

SOFT SKILLS

Leadership ...in circumstances where there is no clear and defined plan of action.

Creativity ...acquired through my attention to detail and rigor when doing projects.

Planification ...regarding the synthesis of knowledge and ideas, embodied in the reports I have written.

Organization ...which I acquired at Escola Joan Abelló (in visual and plastic arts and music subjects).

Flexibility ...since I like new and different challenges that involve new demands which catch my attention.

Eloquence ...to share knowledge to my colleagues and strive to help them improve.

Curiosity ...that stays alive wherever I look for new sources of knowledge.

Coordination ...to see others minds and work as a team.

PROGRAMMING LANGUAGES

C/C++ | Python | LUA | Java | JavaScript | Visual Basic .NET | R

HARD SKILLS

Project Manager skills | Software development | Web development | SQL queries | Databases | Machine Learning | Virtual machines | Information systems | Testing knowledge

HOBBIES

Sport Running, cycling, gym, swimming...

Music Music theory and classical guitar (Escola Municipal de Música de Mollet del Vallès).

Videogames | **Cinema**

2D and 3D graphical design Technical and artistic drawing skills.
